

"Completing successive PMA's has given us an impetus and a defined target to ensure continuous improvement."

*- Neil Addison, Procurement Manager,
Newcastle University*

IS YOUR UNIVERSITY FIT FOR THE
FUTURE?

PROCUREMENT MATURITY ASSESSMENT (PMA+)

An independent **detailed assessment** of your procurement function, from commercial skills, to driving value and Responsible procurement, designed to help universities take a step back and get an **objective view of their procurement capability.**

ENSURE YOUR INSTITUTION IS FIT FOR THE FUTURE

Why Undertake a PMA+?

- Elevate the importance of procurement efficiency and effectiveness to your senior executive team with reporting to show improvement over time, position in the sector and a clear improvement pathway.
- Drive qualitative input from key senior stakeholders including Finance Directors and decision makers behind major purchases, such as Directors of Estates, ICT and Marketing.
- Engage with key senior stakeholders through online interviews to support buy-in to the improvement plan.
- Provide your Audit Committee with assurance that your institution is meeting sector benchmarks and performing both effectively and efficiently.
- Demonstrate to the Office for Students that procurement best practice is delivering value.
- Save time with a streamlined question set and Office 365 evidence submission platform that improves process without compromising rigour.
- Work along side our team of professional procurement specialists with a wealth of experience from both HE and the commercial sector.

A PMA+ can be delivered remotely for £3,600* for SUMS or SUPC members and £4,100* for non-members.

*Prices for 2022/23
